Words and Music by

INTRO

This is where the ride begins,
A magical musical journey, come on in!

VERSE 1

Come on everybody, come on, let's go!
You can travel far away, or back to long ago.
Come on, it's easy as "do re mi."
Music has the power! Let it run free!

CHORUS

Music Express! Gonna take you higher,
Music Express! Singing in a choir,
Music Express! Music from a far land,
Music Express! Like playing in a band!

VERSE 2

Come on everybody, come on, let's go!
You can even imagine you're the star of a show!
And where we'll end up is anybody's guess.
All ready to go now. Music Express!

CHORUS

Music Express! Gonna take you higher,
Music Express! Singing in a choir,
Music Express! Music from a far land,
Music Express! Like playing in a band!

BRIDGE

(spoken in rhythm)
You're singing a song, doing a dance,
You can't go wrong, taking a chance.
You're playing a tune, drumming a drum,
(sung) Get it together, make pandemonium!

CHORUS

Music Express! Gonna take you higher,
Music Express! Singing in a choir,
Music Express! Music from a far land,
Music Express! Like playing in a band!

Music Express!
